

In an effort to promote campus safety and provide timely information to our campus community, the following information is being provided so that you can make informed decisions about your safety.

Report

The UCLA Police Department received a report of a(n) armed robbery that occurred at 500 Block Gayley Ave. on 06-11-2026 02:15 AM. Three victims were inside the fraternity house when the unknown suspect brandished a firearm and took jewelry from them. Suspect fled southbound on Gayley Avenue in a red Tesla. Victims were not injured. Victims are not affiliated with UCLA. The suspect is described as a Black male, wearing a black ski mask, black hooded sweatshirt, and camouflage shorts.

UCLA PD is investigating this crime. If you have information that might assist in the investigation, please contact the UCLA Police Department at 310-825-1491.

UCPD reminds the campus community of the following:

- Be alert and aware of your surroundings.
- Follow your instincts. Safety is the first priority.
- If you feel you are in danger, take action. Move away from the threat, cross the street, increase your pace, or run to safety.
- Do not delay in calling 911. UCPD strongly encourages the reporting of suspicious activity so we can intervene in potential criminal activity and apprehend suspects.
- Immediately report all suspicious behaviors, vehicles, and activities to the UCLA Police Department at 310-825-1491.

Resources:

- The UCLA Police Department's CSO Evening Escort Program is a free service providing escorts to walk with students, faculty, staff or visitors 365 days a year

from dusk until 1 a.m. between campus buildings, local living areas or Westwood Village within the approximate boundaries of Sunset Boulevard to the north, Hilgard to the east, Wilshire to the South, and Veteran to the west. Call (310) 794-WALK to request a CSO escort. For more information:

<https://police.ucla.edu/cso>.

- The Bruins Safe mobile app can be used to access various UCLA safety resources, including Friend Walk, where a friend can track you as you walk to your destination. Download the Bruins Safe mobile app:
<https://bso.ucla.edu/bruins-safe-app>.
- UCLA SafeRide provides complimentary evening transportation to all students, staff, faculty and visitors. Information on full services and routes can be found at: <https://transportation.ucla.edu/getting-around-campus/nighttime-safety-mobility>.
- Counseling and Psychological Services (CAPS) is available to support student mental health by providing a variety of resources including individual therapy, group therapy, psychiatry services and connection to off-campus providers. To learn about on and off-campus mental health resources, visit the CAPS website at: <https://counseling.ucla.edu/>.

WHAT IS THIS NOTICE?

In compliance with the Clery Act, Timely Warnings are issued by the UCLA Police Department when certain (Clery Act) crimes occurring on campus property, properties controlled by campus-affiliated organizations, or public property immediately adjacent to campus are determined to be a serious or continuing threat to the campus community. Timely Warnings are intended to prevent similar crimes and to provide information that will assist community members in protecting themselves. A Timely Warning is not the same as a BruinALERT. A BruinALERT is an Emergency Notification for situations involving an immediate threat to the health or safety of students or employees.

Information reported in a Timely Warning may not have been investigated or confirmed at the time of the issuance of the warning, and physical descriptions of a suspect will be included only if there are enough details to distinguish the suspect's appearance from the general population. Descriptions of suspect(s) - including traits such as race, ethnicity, and gender - are provided by witnesses, victims, and/or investigative steps and are NOT considered the basis for suspicion; only behaviors are considered suspicious.

For more information, please visit: <https://www.police.ucla.edu/content/timely-warnings-and-emergency-notifications>.
